DAILY BINGO RECORDS – STANDARD FORMAT

This packet is design to instruct you in the use of the standard bingo session records as required by WAC 230-08-080. It should also assist you in complying with record keeping and reporting requirements of WAC rules 230-08-010, 230-08-120, 230-12-020, and 230-20-101 through 108. The information and instructions in this packet do not encompass all the rules regarding bingo. Please read your Commission rules thoroughly to ensure compliance with all WAC rules.

This packet contains the following sections:

1. A summary of the different types of forms used, as well as completed examples. The forms included should be used by all Class D and E bingo organizations. A supplement is provided for Class F and larger bingo games. The forms detail all record keeping requirements. Most of the requirements for Class D through M games are the same, but the forms are utilized different in each class. For example, Class F and above have one additional form for combination receipting methods, and may not utilize ticket receipting forms, except for bonus games.
2. Information required for bingo prize receipts per WAC 230-20-102.
3. Examples and an explanation of the required monthly records.
4. Blank bingo session records. **Please reproduce all forms as you need.**

The session records were designed to fit as many games possible, but still may not exactly fit your game. You should remove or add pages, or sections, to make the right package for your game. You are not allowed to change the method of recording data within the formats. For formats such as "all you can play", "3 for the price of 2", or multiple price or package games, contact your local agent for a sample format. If you are not sure that your records meet the requirements, or you have a question or need assistance, call the Gambling Commission regional office in your area.
